Additional comments

- Thank you Rachael.
- Rachael was super helpful and I very much enjoyed her sessions
- Rachael was very helpful and supportive throughout the semester. She has a very thorough and professional attitude.
- The material is very hard for me, but thanksfully we had a great instructor. :-P
- Rachael you are awesome. Thank you so much for all your help with the class.
- The exercises in Royden (and those assigned by Chifan) didn't seem to reflect the information taught in each section very well. This made the problems difficult and unmotivated, however Rachael was able to explain how to go about doing the problems and explain any other questions I had. She was awesome! Thanks for making this course manageable.
- She is a good TA. When I asked some questions, every time she gave me a good answer. Also she is very kind.
- Thank you for being so nice both grading and answering questions. You presented problems very clearly and were patient with us. Great job, I can't think of anything you need to improve on.
